SCOPE OF WORK

PLAN TO BE COVERED:

A Flexible Spending Account Plan has been offered for the past ten years. The current administrator is Crosby Benefit Systems of Newton, Ma. The Flexible Spending Plan should accommodate all legally permissible categories of expenditure including, but not limited to, the following:

Qualified Health Care Reimbursement Account

- Medical Insurance Deductibles
- Co-payments
- Vision Care (eyeglasses, contact lenses, examinations)
- All medical procedures not covered by insurance and OTC expenses
 - All dental procedures not covered by insurance

Dependent Care Assistance Plan

- All expenses qualified under Sections 125 and 129 of the Internal Revenue Code, and any other Sections of the IRS code or other statute pertaining to payment of dependent care expenses on a pre-tax basis.

The City also has a premium only 125 plan, which is not included in this proposal.

COVERED EMPLOYEES:

- The City of Newton has twenty four hundred (2,400) benefits eligible employees.
- Most employees are included in one of seventeen collective bargaining units.
- All unions have bargained for this benefit.

CURRENT ENROLLMENT and COSTS:

The City currently has about 393 employees who participate in Flexible Spending. The City currently contracts with Crosby Benefit Systems and pays \$3.25 per person per month, and has no expenses for its annual renewal and no costs associated with discrimination testing. The City is exempt from ERISA and does not require the preparation of Form 5500.

SERVICES OUTLINE:

The successful bidder will:

1. Provide all necessary plan documents
2. Provide all descriptive literature
3. Receive and process all claims
4. Determine and administer employee reimbursements
5. Provide points of contact for employees to call regarding questions, information, etc.
6. Provide the City of Newton with reports necessary for the administration of the Flexible Spending Account Plan, including: 1) periodic reports by employee showing amounts credited to the employees account, the amount paid from the account, and the account balance; 2) an end-of-plan-year report showing, by employee, amounts left unexpended; and 3) other reports commonly provided

8. Provide other reports, services, etc. typically required in the administration of Flexible Spending Account balance
9. Provide discrimination testing once a year.

BACKGROUND INFORMATION:

In regard to #2 above the City prepares its own materials for distribution. The City needs about ten copies of the vendor's literature in order to prepare its materials. The City will work with the vendor to develop enrollment forms, direct deposit forms, etc. that are mutually acceptable. The literature can be 10 hard copies, or electronic copies, which the City can use to create hard copies. The City is not seeking customized literature.

In regard to #7 above, real time information provided on the vendor's website will fulfill this requirement.

Currently the City mails or faxes enrollment forms to the vendor. If the awarded vendor prefers a Word or Excel file, that can be arranged. The City will only accept one of these arrangements to set up the vendor's database.

The City has had different funding arrangements with different vendors over the years. With the current vendor, for each weekly and semi-monthly payroll, the City E-Mails the deduction register and sends the funds via ACH. In the past, the vendor notified the City of the approved claims each week, with a listing of employees and amounts to be paid, and the City sent an ACH transfer to the vendor.

For this bid, the City is not interested in a debit card. Please do not provide any information on a debit card.
